YSGOL GATHOLIG CRIST Y GAIR CHRIST THE WORD CATHOLIC SCHOOL

December 2021

Dear Parent / Guardian

SHRN Health and Wellbeing Survey for students in Year 7-11

The school is about to complete a survey of the students' health and wellbeing. This survey is carried out every two years and has proved invaluable in the past. The data is gathered by a reputable, nationwide organisation (Ipsos MORI) and the details are analysed by Cardiff University.

This generates a report that helps us as a school to offer the students the programmes and support they need. If you have any further queries about this survey, there is a letter from the organisers overleaf with more information and online resources.

Should you wish to withdraw your child from the SHRN Survey process simply contact Reception at the number at the top of this letter and inform them of your request.

Yours faithfully

Tom Jordan
PSCE Co-ordinator
