Tommy – include other people in games who are lonely.

AJ – Make be kind posters

Tommy – Make a card

Year 6 to design a poster with a heart and links on it that can be displayed in classes to show the acts of kindness we show each other.

This didn't really work as well as planned. The year 6's never completed the posters. More preparation needed when planning next time.

Maybe include Kindness within out Catholic Pupil Profile as a living experiences instead of a stand alone.
